### Scope of Responsibilities

With almost three decades of experience in commercial and multifamily investment real estate, Amanda Hopper exclusively represents buyers and sellers in investment transactions across Mid-Michigan. She consistently achieves the highest price obtainable in today's market through broad property exposure and a relentless pursuit of bringing together the right buyers and sellers with her deep contacts and a precise knowledge of the market. Clients will benefit from Amanda's knowledge in the design and construction field. Amanda has the distinct capability to evaluate and think quickly with financial numbers, schedules, contracts, negotiation and getting to final solutions. Her ability to work in an efficient and professional manner gets results.

### Education

Michigan State University, East Lansing  
Bachelor of Science, Civil Engineering

### Background & Experience

As a real estate investor for more than 25 years, Amanda has extensive experience in evaluation of investment properties for long-term operational performance. Amanda's experience also includes her role as project manager for the Michigan Department of Transportation in the highway and airport realm. This includes land and property acquisitions as part of runway extensions statewide. Amanda manages major infrastructure design and construction improvements for airport terminals, maintenance facilities, runway extensions, electrical improvements, and instrument landing system upgrades.
